ELECTRIC VEHICLE CHARGER MINI-GRANT PROGRAM

Go green with Destination Door County! Electric Vehicle Charger Mini-Grants are available to help offset costs in continuing to enhance the county's electric vehicle infrastructure in order to better meet the needs of today's traveler.

Mini-Grant Award: **\$1000**

Eligibility

- The EV Charger Mini-Grant Program is open to any business, organization, or government entity located within Door County wishing to add a new Electric Vehicle Charging Station, add an additional EV Charging Head, or upgrade their existing EV Charger to Level 2 or Level 3.
- EV Charger must be available for public use. Residential or private-use applications will not be considered.

Program Details and Application

- Applications will be processed online only and on a first-come, first-serve basis.
- The maximum award per project is \$1000. If the total project cost is less than \$1000, the award will not exceed the total project cost.
- Accepted proofs of purchase include: Invoice for purchase/installation, receipt of purchase/installation, purchase Order for purchase/installation, contract from manufacturer or electrician stating intent to install
